

1. cut along solid lines.
2. score along dotted lines.
3. fold lower two sections up and adhere along left edge.
4. fold triangle in and adhere along bottom edge.
5. fold in half and add velcro to hold closed if desired.

tip: stamp first! a stitched seam and monogram finish off the outside nicely, while there is additional room for details inside. add a business card size insert into the triangle pocket for an interactive touch.
